

Care4Caregivers

A BEST FRIEND
IN YOUR POCKET

MARIQUITA JOY

RN • MPH • CCM • WCCM

Certified AI Consultant | Founder | Speaker | Author

Founder of
THE LADYBUG SPEAKS™

Mariquita Joy is founder of The Ladybug Speaks™, owner of Small Steps Rehab, and an AI-certified consultant through AI Innovision.

She founded the first bilingual nurse case management company serving workers' compensation claimants nationwide.

Creator of **Care4Caregivers**, a multilingual support platform for isolated caregivers, recipient of the Memory Care Innovation Award and AVA Digital Gold Award, and **MakeltHome**, a bilingual safety-training platform helping construction companies train workers in multiple languages.

From regional finalist in the White House Fellows program to innovation pitch competitions with Amazon Web Services, Mariquita has consistently led from the front.
